

Community Cats Appointments Form

FixFürLife provides donation-based spay/neuter services for the community cats around Gillespie County. By caring for stray and feral cats, you are helping to reduce the number of unwanted kittens and making our community a safer, healthier place for all.

This is an electronic, fillable form. You can complete it online or print it out and fill in your answers by hand. Please fill in all fields; use "N/A" if a question does not apply to you or your pet(s).

Once you have completed the form, email it to us at fixfurlife@gmail.com. Or if you prefer, you can simply drop off the handwritten form at the Hill Country SPCA. Once we receive your completed form, a volunteer will contact you within 72 hours or less to schedule an appointment. *FixFürLife uses a rotating schedule for veterinarians, so we are unable to accommodate specific clinic requests.*
